

Volunteers Needed – Can you Help?

Thurgoland Childcare is a nonprofit nursery charity and is managed by a voluntary Board of Trustees which is made up with both parents of children in Nursery and local people who have an interest in volunteering.

We need to have a minimum number of Trustees as per our constitution in order to operate legally and we regularly need to recruit new Trustees both to continue to operate and run as a nursery and also to expand our skills base and knowledge, along with the potential to explore new ideas on how to improve and develop our service.

Could you help out? We meet approximately once every 8 weeks for a few hours to discuss how the Nursery is managed and talk through any ongoing and potentially new projects that are to the benefit of the setting. There may be other projects that you may want to be involved in, or lead on, that would involve another few hours a month.

There is no financial responsibility to being a Trustee nor any financial gain but it can be immensely rewarding. As Trustees you would collectively have ultimate responsibility for running the Charity and by using your skills and energy you would be able to express your thoughts, and influence how the Nursery your child/ren attends or within your local community should be managed and improved.

If you don't want to become a Trustee there are also opportunities for parents of children in Nursery to join the Fundraising Committee to help raise funds and organise fun events for the children.

So, if you would enjoy being part of a small team and are interested in assisting us by volunteering your time and skills please contact **Kerry, Nursery Manager** by email on thurgolandnursery@yahoo.co.uk or **telephone 01142 883848**
