

Nursery Newsletter – Autumn Term 2026

Hello Everyone

The new term will start on Wednesday 2nd September 2026. We are closed on the Monday for the bank holiday and on Tuesday, 1st September for an Inset Day where staff will be training on new guidance.

We look forward to seeing our term time children again after the summer break and welcoming a few new little ones who will be settling in with us during September.

Clothes

As a nursery we spend a lot of time outdoors with the children. Can we ask that all children bring waterproofs to leave at Nursery, preferably bottoms and separate tops along with a pair of wellingtons and a hat all clearly marked with their names. We have many outdoor activities planned this autumn and don't want children to get wet and cold. If we have another heatwave, as predicted, any children without sun cream will need to provide a tube please.

Parents Evening

This will take place on Monday 12th October 2026 from 5.30 to 7.00pm and to reserve an appointment please email in to thurgolandnursery@yahoo.co.uk and you will be allocated a 10 minute slot which will be confirmed by email. This is to discuss how your child is settling in and developing and is also a great opportunity to meet the team and see the rooms.

Don't forget
parents
evening!

Staffing

We have had a few staff leave us over the last few months Clare has retired after 12 wonderful years with us, she has been a very important part of the Nursery, and we will miss her lots.

Lydia Mills has decided she would like to change careers and is moving on to pastures new.

Maddie has joined the team she is local and has a degree in childcare and will be mainly in the pre-school room.

Steph has also joined the team, she is level 3 and will be in with the babies and toddlers.

welcome
